

## YOS Independent School | Lawnton Campus

### Documents required to support application

Dear Parent/Guardian,

Thank you for expressing interest in the YOS Independent School at Lawnton. In order to assist with the application process, we ask that documents listed on the **Documents for Enrolment** list, be returned within ten working days from when you received your Application Package.

By gathering these documents within this time period, will support the opportunity to make an interview time with you and your child as soon as possible. Should you be unable to gather all required documents, we ask that you still return what you have been able to gather within the ten days.

If you happen to still be following up documents, please inform us of what is happening in regards to these documents in the comment section on the Documents for Enrolment sheet.

Should you require any further guidance or assistance, please do not hesitate to contact YOS Independent School Lawnton Campus on 07 3285 8522.

Many thanks,

### Sam Gall
